

SHIRE OF BODDINGTON

BODDINGTON REFUSE SITE OPENING HOURS

Due to a reduction in the use of the Shire of Boddington's refuse site that has significantly reduced impacted on Council revenue, the hours of operation of the Boddington Refuse Site will be reduced accordingly.

From Tuesday 27th August 2013 the operating hours
Of the
Boddington Refuse Site will be:

Day	Opening time	Closing Time
Monday	Refuse Site closed	
Tuesday	10 am	4 pm
Wednesday	Refuse Site Closed	
Thursday	11am	3pm
Friday	Refuse Site Closed	
Saturday	11am	3pm
Sunday	11am	3pm

The reduction in opening hours will have a greater impact on some local businesses with a requirement for regular access to the Refuse Site. However at this time the current permanent extended hours of operation are an operational cost that can no longer be justified at the current overall usage levels.

Should a local business or individual wish to obtain access to the Refuse Site outside of the new regular hours, staff can, by appointment, arrange for the access for the Council fee of \$50 per hour. It is anticipated that this service would only be required for special occasions and not regular use.
