Thank you!

Special thanks to our prized sponsors and amazing volunteers. You are stars. Boddington and the surrounding Marradong Country communities are especially wonderful supporters of the Rural Living Expo. To all the individuals and businesses who endorsed the Rural Living Expo with contributions, donations, goods, services and time, thank you. Most importantly, you encouraged us, inspired us, provided good humour and kept our caffeine levels high. The Rural Living Expo Committee toasts you for an outstanding Expo!

Australian Mounted Games is on all day at the Riding Club Arena

Woodturning

Both woodturners we are blessed to have on board with us at the Expo will be "at work" all day. Tony Collins, a member of the West Australia Woodturners Association and the Yanchep Craft group will be demonstrating his expertise as a wood turner in his stall all day. Make sure you stop by, pick a few tips and watch a master craftsman create works of art before your eyes. Tony will also have items for sale.

David "Willy" Nelson will also be working in his stall all day. Willy is a wood turner and carver and a member of the WA Wood Turners (Wandi). The majority of Willy's work is turning and carving of WA Burls for galleries and shops. Willy also turns many pens, platters, knives and rolling pins as well as range of home décor items. Willy invites you to visit his stall and see him in action!

Black Smithing

Malcolm Paine long standing member of The Blacksmiths Association of Western Australia, and Dale Whitney will be attending the Expo at the invitation of our local Blacksmith Jacob Foster. Malcolm is highly regarded the industry and very passionate about the craft of Blacksmithing. Malcolm and Jacob will be onsite all day in the "shed" and will available to demonstrate and discuss their skills.

Demonstrations

Our exhibitors invite you to talk and discuss their products with them and where possible they will be happy to provide a demonstration for you. Please don't hesitate to ask them when you visit their stalls.
