A MESSAGE FROM THE BODDINGTON CRC

Welcome to the Friday Night Festival, the kick-off to a huge weekend in Boddington!

The Friday Night Festival is a chance for locals and visitors to come together, enjoy a great evening and celebrate the beginning of the Boddington Big Weekend. With plenty happening throughout the night, it is the perfect way to start what promises to be a fantastic weekend for our community.

An event like this does not happen without a lot of work behind the scenes. We would like to extend a very special thank you to our dedicated staff and volunteers, who give their time, energy and enthusiasm to help bring the festival to life.

We are also incredibly grateful to our sponsors and supporting businesses and organisations. Their generous support helps make the Friday Night Festival possible and allows us to create an event that the whole community can enjoy.

Thank you to our stallholders, entertainers, contractors, community groups and everyone else who plays a part in making the festival happen. And, of course, thank you to everyone who comes along to support the event and be part of the celebration.

We hope you enjoy the Friday Night Festival, soak up the atmosphere, catch up with friends and family, and make the most of the evening.

It is the start of a huge weekend in Boddington, and we are excited to celebrate it with you!

50 YEARS OF BODDINGTON RODEO

PRESIDENT'S REPORT

A MESSAGE FROM THE BODDINGTON LIONS CLUB

As President of the Boddington Lions Club, it is with immense pride that I look back on the history of our 50th consecutive rodeo. What started 5 decades ago as an idea has grown into what you can see around you today, proudly standing as the largest one-day Rodeo in the country.

Decades ago, our founding members built these grounds by hand with little more than raw determination, borrowed machinery and a huge community spirit. To see these same grounds packed with 1000's of spectators and 100's of ABCRA competitors is a legacy we can all be proud of.

Hosting the National Championships in our 50th year, where we witness the best in rough stock riders, barrel racers and timed event riders in Australia, is indeed an honour.

Yet the magic of the Boddington Rodeo has always been more than just the arena; the Saturday morning street parade, campers in their droves, and the packed out Bushman's Ball showcasing what small country towns are about.

An event like this doesn't just happen. I want to thank the Boddington Lions Club, the Rodeo Committee, the army of volunteers, and our incredible sponsors for helping make this day such a huge success.

Every ticket sold and every drink bought at the bar goes directly into the facilities here, as well as funding local community projects, medical research, and supporting those in need.

Thank you for being part of 50 fabulous years of rodeo in Boddington.

P.C.

WHAT ARE THE NINE RODEO EVENTS

BODDINGTON BIG WEEKEND

RODEO RULES

At all times, contestants must ride to rules set by ABCRA (Australian Bushmen's Campdraft and Rodeo Association) rules. At no time is the rider permitted to abuse or mistreat the stock.

01 SADDLE BRONC

This contest is judged on the rider's ability to synchronise their movements with the bucking rhythm of the horse. To qualify, the contestant must 'mark out' (having the spurs resting forward of the horse's shoulders until the horse completes its first jump out of the chute). The rider is disqualified for touching any part of the animal or equipment, losing a stirup, or getting bucked off before eight seconds has elapsed.

02 BAREBACK

Points are given for the rider's style and flair on a horse. The contestant has one hand in the 'bare back riggin' leather handhold and must keep the other from touching the horse or themself. The rider must mark out and stay on board for eight seconds.

03 TEAM ROPING

The two-member team is made up of a header and a heeler. The header ropes the steer around the horns, then the heeler must rope both hind legs. Official time is taken when both catches are made, the ropes are tight, and the horses are facing each other.

04 BARREL RACE

Each contestant runs their horse in a clover pattern around three large barrels, with the fastest time deciding the winner.

THE NINE RODEO EVENTS

BODDINGTON BIG WEEKEND

05 STEER UNDECORATING

Contestants on horseback ride along side a steer that has a ribbon tied to its back. The rider must get the ribbon in the shortest possible time while a hazer keeps the steer running in a straight line.

06 BREAKAWAY ROPING

This is a timed event in which a rope is tied to the saddle horn with a breakaway string. After the rider ropes the calf, they stop their horse. The running calf breaks the tie, pulling the rope from the saddle horn.

07 BULL RIDING

In the most dangerous event in the Rodeo, the contestant earns points for staying on a bucking bull for eight seconds. The tougher the bull and the greater control shown by the rider, the more points they earn. To help the rider keep a good grip, a braided rope is wrapped around the bull, pulled tight by the rider's hand.

08 STEER WRESTLING

Two riders, being the steer wrestler and the hazer, ride each side of a running steer. At the right moment the steer wrestler launches themselves off their horse, taking the steer by the horns. The contestant must stop the steer then roll it to the ground. When the steer is lying flat on its side, official time is taken.

09 ROPE AND TIE

The mounted contestant follows the stock until they can throw a loop. If the rider makes a catch they dismount run down the rope and ties the stock by three legs. Time is then taken, but to qualify the animal must remain tied for five seconds.

The Lions Club of Boddington would like to thank all of our volunteers and businesses for your generous support. Without you, we would not be celebrating our 50th consecutive rodeo this year.
