CEO WINDOW

1 May 2020

COUNCIL FACILITIES START TO REOPEN

From Monday, 4 May 2020 the Council office will resume being open to the public. Note that only one customer at a time will be permitted in the foyer.

Council's caravan park and RV free camping site also reopened from 1 May 2020.

Patrons are being asked to observe the 10 person gathering limit, the 4 m² limit in the camp kitchen and to take extra precautions when using the common ablution facilities and laundry.

NEW FOOTPATH OPENS

Contractors finished the new footpath between Wuraming Avenue and the Cenotaph this week. While it wasn't finished for Anzac Day 2020, it will certainly be a benefit to those who attend the Anzac Day ceremony 2021.

WURAMING AVE WORKS

Residents will have noticed a hive of activity in Wuraming Ave. Contractors are preparing to pipe the open drain between Bannister Road and the caravan park. Council staff are also preparing the car park for the Hotham Park adventure playground. Please take care if you must be in the area.

COUNCIL GREEN CANOPY PROJECT

The trees to be planted this winter have been ordered. This year will see plantings in parks, reserves and at the golf course. Native species have been chosen such as red flowering gums, coral gums, wandoo, pink marri, red cap gum, paper barks and swamp mallet for some damp areas. Thanks to South32 for the Jarrah seedlings

Redcap gum, eucalyptus erythrocorys illyarrie

ASSISTANCE FOR THOSE SELF-ISOLATING

Residents staying at home due to the pandemic have been receiving assistance from a number of quarters. The BCRC has been coordinating volunteers to deliver groceries. Eugene Smalberger and Dawn Newman have been helping with packs of pantry staples and a supply of cooked meals for those who want them. South32 Worsley Alumina has also come to the party with a delivery of 480 toilet rolls and 384 bottles of hand sanitiser to help keep these people clean and safe. A big shout out of **THANKS** to all those helping.

Chris Littlemore CEO

Announcement from our Chief Bush Fire Control Officer William Batt

At the moment we are still in the restricted burning period which means permits are required for any lighting of outdoor fires, **including** burning leaf and garden litter, outdoor open wood fires and any open flame that may cause a bushfire.

Permits are free to get and obtained through your local bushfire captain or delegate. The reasoning behind the permits is to ensure that adequate controls are in place prior to and during the burn. Last year we had more fires attended to in May and early June than the whole 2018/19 fire season, including the prohibited time, due to fires being lit without water on hand or raking around trees.

Don't let the cooler days and the little bit of rain fool you, the fire will still burn quite quickly until we get a lot more rain to start to soak the ground and flammable materials. With the current situation with the Covid-19 and social distancing rules, we are doing our part by reducing the risk of call outs of our volunteers.

Even when the restricted season is lifted, we will still need to be vigilant and responsible when it comes to burning off outside.

Regards

William Batt

April 30 2020

Chief Bush Fire Control Officer William Batt

Bush Fire Information
RESTRICTED BURNING

The Restricted Burning Period for Shire of Boddington is extended to Midnight 7th May 2020. Permits to burn are still required & further extensions are possible

Please be aware these dates are subject to change due to weather conditions.
BE AWARE WHEN HARVEST AND VEHICLE MOVMENT BANS ARE ON AND WHAT THAT MEANS TO YOU

For any enquiries please contact your local Fire Captain
or the Shire Ranger [0428 838 025]

South 32 News

Worsley News

APRIL 2020

Boddington Bauxite Mine team members Sammi Rae and Chloe Cameron adhere to the social distancing guidelines provided to our workforce.

PROTECTING OUR PEOPLE AND OUR COMMUNITY

COVID-19 continues to have an impact across the world, and at South32 Worsley Alumina our response is built around three areas – keeping our people safe and well, maintaining safe and reliable operations, and supporting our communities.

At our Boddington Bauxite Mine, we have taken several important steps to help achieve this, such as implementing enhanced hygiene practices and social distancing measures.

All non-operational personnel are working from home, roster changes have been put in place for certain positions to reduce interaction with colleagues, and steps have been taken to ensure there is no physical contact between crews on different shifts.

When it comes to the community, we know that we get the best results when we work together. South32 recently committed \$1 million to support the local communities surrounding our Australian operations in the fight against

COVID-19. The funds will be distributed between Foodbank, Lifeline and the Royal Flying Doctor Service to assist people living in regional and remote areas and provide mental health services and essential supplies to those that need it most, including near our Worsley operation.

We are working closely with the Shire of Boddington and other key stakeholders on prevention, preparedness, response and recovery from COVID-19.

We have provided essential supplies of toilet paper and hand sanitiser to the Shire for use within the community and will be providing support in a number of other areas in the coming weeks and months.

Each one of us has a role to play in slowing the spread of COVID-19. Two of the most important things we can all do are practise good personal hygiene and maintain social distancing. Together, we will get through this and emerge stronger.

South 32 News continued:

WORSLEY NEWS | APRIL 2020

FAREWELL TO MARK

Mark Gordon joined the Worsley Alumina team over 36 years ago and walked through the Boddington Bauxite Mine (BBM) gates as one of the original team members in the 1980s.

We recently celebrated Mark's retirement with a special lunch at BBM with his wife, Sandy and some of our past Worsley family members. It was time to reminisce, thank and congratulate a team member that made a large contribution to the business for many years, with a strong work ethic

and a willingness to help many other employees along their journey.

From everyone at Worsley we wish Mark and Sandy a wonderful retirement and thank him for his dedicated service.

LEST WE FORGET

We conducted an Anzac Day ceremony with appropriate social distancing at the Marradong mine with ex-serviceman and team member Glenn Williams lowering the flags at dawn. Another ex-serviceman and team member, Gary Walmsley laid a wreath at the Boddington War Memorial on behalf of South32 Worsley Alumina with our Mine Manager, Aaron Nash.

PUBLIC NOTICE

WORSLEY MINE DEVELOPMENT COMMUNITY MEETING

Please join us on Wednesday 6 May at 11am for an information event where we will provide you with an update on the State and Commonwealth environmental approvals process for the next phase of bauxite mining near Boddington.

You may recall that we had planned to conduct this event face to face in March, however we were forced to postpone it due to COVID-19. It will now be held electronically, and there are two ways you can join the meeting:

For the full meeting experience, click or copy this link into your web browser: <https://s32.webex.com/s32j.php?MTID=m06b082d5158ed54d0a7f489e5236ec5a>

Alternatively, you can call (02) 9338 2221.

You may be prompted for an access code (781 624 911) or a password (k77bWHj3VfK).

If you would like to submit any questions to the team prior to the meeting, please email them to worsleyminedevelopment@south32.net

We look forward to 'seeing' you at the meeting.

LOCAL EMPLOYMENT

Be the first to know when jobs are advertised at Worsley Alumina. Visit careers.south32.net and click on "job alerts" to register.

LOCAL PROCUREMENT

Questions about local procurement can be directed to the Worsley Supply team via email: WorsleySupply@south32.net

COMMUNITY HOTLINE

For further information on Worsley Alumina please contact our community hotline: 1800 555 958 or email: worsleycommunity@south32.net

Together, we will get through this

The health and safety of our people, their families and communities remains our highest priority, and we stand together with the South West to help contain the spread of COVID-19.

Now more than ever, the resources sector is supporting the South West, contributing to the local economy through wages, community investment, royalties and business purchases.

Newmont Boddington Gold news

Newmont Boddington Gold

Newmont COVID Community Support

Newmont is proud to continue its support for the community of Boddington during these challenging times, and put the health, safety and wellbeing of our people and communities above all else.

To assist the community, we have established the COVID-19 Community Support Fund. Already we have assisted the Boddington CRC and Williams CRC with coordination of their community outreach, and the Boddington Hospital Auxiliary with preparation and delivery of food packages to vulnerable persons living in isolation.

We continue to seek proposals from organisations that are helping keep everyone safe and well during this time. If you require support please contact Cath Pattenden on 0447 981 205 or Catherine.pattenden@newmont.com

The Newmont logo, featuring a stylized yellow triangle to the left of the word "Newmont" in a bold, blue, sans-serif font, followed by a small trademark symbol (TM).

JESS MAHY

13 YRS, YEAR 7 BDHS

What Age were you when you started your hobby/acheivment?

I was 5 when I started to do art.

What do you hope to achieve with your Hobby/Achievement?

I hope to one day paint a big Mural that would become famous.

How do you see the world today? Do you have a message to other Youth?

The world today is very strange and people are getting brainwashed by phones so I say to other youths stay young and while you are young go outside and enjoy nature

What would you say to your future self?

Don't be silly and irresponsible.

We acknowledge the Noongar people as Traditional Custodians of this land and pay our respects to all Elders past and present.

Landcare matters

Hotham-Williams sub-catchment update

Edition 42
May 2020

NRM is the management of natural resources such as land, water, soils, plants and animals. It brings together land use planning, water management, biodiversity conservation and sustainability of industries such as agriculture, mining, tourism, fisheries and forestry.

Hotham-Williams Rivers Health

The autumn river health assessment sampling has been completed for the Hotham and Williams Rivers by Wetland Research and Management and our Hotham-Williams Team. The field work follows the Department of Water and Environmental Regulation's (DWER's) South West Index of River Condition (SWIRC) which is an integrated assessment of river health.

Six sites were surveyed across the catchment and the results from the spring 2019 and recent autumn surveys will not only provide a snapshot of the rivers health now, but also provide a baseline for future potential restoration work leading from the recommendations of the recently completed Hotham-Williams River Action Plan (RAP) produced by Urbaqua.

We will be discussing the results of the RAP and potential restoration works which could occur to improve the health of our wonderful waterways with our local Shires and the community in the coming months.

This project is made possible through funding from Newmont Boddington with additional funding from DWER (towards the river health assessments) and the Shire of Cuballing (towards the RAP).

Land for Wildlife

PHOTO: Dwarda landholders Bill and Marnie receiving their Land for Wildlife Sign

We are supporting the Land for Wildlife program which is coordinated by the Department of Biodiversity, Conservation and Attractions. This program seeks to recognise and support landholders who have natural habitat and revegetation on their property which is able to be used by native wildlife.

If you would like to register for Land for Wildlife please contact PHCC or go directly to <https://lfw.gaiareources.com.au/lfw/>. Having a Land for Wildlife property gets you free advice on managing wildlife habitat, and makes you part of a state-wide community of private landholders conserving Australia's wildlife for the future.

Covid-19 We value the health and safety of our whole community and PHCC has made the decision to temporarily close our office to visitors. We are still working and you can reach us via phone on 6369 8801 or 0455 166 780 or via email.

Community Environment Grants (CEG)

Mel and Christine have been out and about visiting landholders who have completed their 2019/2020 CEG Projects.

There are 14 projects funded in the Hotham-Williams Sub-catchment through our Numbat Neighbourhood Project and an additional 16 through the Greening Farms Project. We have been following the Government regulations regarding Covid-19, including strict hygiene requirements and social distancing during all visits. Projects visited so far include fencing part of the Fourteen Mile Brook, replacement fencing of a linkage to Dryandra Woodland and remnant vegetation fencing.

We hope to announce another grant round in the coming months.

What's happening...

- Launch of WA Feral Cat Working Group <https://peel-harvey.org.au/wa-feral-cat-working-group/>
- Looking for activities to do with kids? Project Numbat has got you covered. Visit <http://www.numbat.org.au/kids>

Do you have an NRM event or information you would like us to promote? Please contact Mel Durack at melanie.durack@peel-harvey.org.au or 0455 166 780 or **6369 8801**

Newmont

These projects are supported by the Peel-Harvey Catchment Council through funding from the Australian Government's National Landcare Program, Newmont Boddington and the Shires of Boddington, Cuballing, Wandering and Williams

JUNIOR LANDCARE LAUNCHES JUST FOR KIDS

The Just for Kids activities have been developed to help children at home explore Junior Landcare and create their own ideas. The activity sheets are based on the activities in the Junior Landcare Learning Centre, and focus on four key areas: food production, biodiversity, waste management and indigenous perspectives. Visit [Just for Kids](#) and explore the [Junior Landcare Learning Centre](#).

[VISIT JUST FOR KIDS](#)

We all have the power to help keep our coastlines, rivers, lakes, swamps, creeks, floodplains, billabongs and estuaries clean by diverting rubbish from our waterways. This can be done with regular clean-ups, picking up litter when you see it, and changing our behaviour such as limiting our use of single-use plastic. Junior Landcare have created a Learning Activity for children at home, at school or with a youth group or Coastcare group host their own waterways clean-up.

[GET INVOLVED](#)

WICKING BED GARDEN PROJECT

Located in Queensland's Sunshine Coast, Maleny State School has been recycling all waste, including a composting program to reduce landfill. They wanted to use this compost to help grow vegetables and other produce in a water efficient way. To do this, they applied for, and were successful in receiving a 2019 Bushmans Junior Landcare Grant.

OMG APPLE PIE

INGREDIENTS

Pastry

- 2 cups plain flour
- 1 pinch salt
- 185 gms softened butter and chopped
- 4 tablespoons caster sugar + 1 tablespoon for top
- 1 large egg separated
- 5 tablespoons water

Filling

- 7 Granny Smith apples
- $\frac{3}{4}$ cup caster sugar
- 1 tablespoon plain flour
- 1 pinch salt
- 1 teaspoon cinnamon
- $\frac{1}{2}$ teaspoon freshly grated nutmeg
- 30 gms softened butter

Method

Pastry

- 1 Sift flour and salt into bowl of food processor
- 2 Add butter and sugar and pulse in food processor until resembles breadcrumbs. (Don't overdo this).
- 3 Add egg yolk and water and pulse in food processor until comes together.
- 4 Place baking paper on bench and lightly sprinkle with flour.
- 5 Place dough on paper and gently knead, adding just enough flour to take away the sticky feeling.

- 6 Wrap in the baking paper and cling wrap and refrigerate for 30 minutes before using.

Filling

- 1 Combine sugar, flour, salt, cinnamon, nutmeg and butter in a large mixing bowl.
- 2 Peel and core the apples and slice thinly, putting the apple slices into the spice mix and coating them as you go.

Pie Construction

- 1 Preheat fan forced oven to 160 degrees C.
- 2 Lightly grease a pie dish.
- 3 Cut off $\frac{1}{3}$ of the dough and reserve for the lid.
- 4 Between 2 pieces of baking paper, roll the $\frac{2}{3}$ piece of dough into a circle using minimal flour and line the pie dish.
- 5 Brush the pastry with the egg white.
- 6 Pile the apple mixture into the dish.
- 7 Between 2 pieces of baking paper, roll the lid into a circle using minimal flour and place over the top of the pie.
- 8 Press the edges together and roll inwards away from the edge of the dish for a rustic finish.
- 9 Brush the top with the remaining egg white.
- 10 Slash some steam vents into the pastry.
- 11 Sprinkle the extra tablespoon of sugar across the top.
- 12 Bake in the centre of the oven for 1 – 1 $\frac{1}{4}$ hours, until the pie crust is golden.
- 13 Serve warm or cold with ice cream.

Courtesy Kathy Littlemore

Facilities & Infrastructure

Facilities & Infrastructure

Boddington Public Library and Visitors Centre

Even though the library has been closed due to the corona virus restrictions we have still been quite busy behind the scenes. We have continued to receive new books, dvds and sound recordings from State Library. Some of the recent fiction titles include:

River of salt Dave Warner

The banker's wife Christina Alger

Doing time Jodi Taylor

In at the deep end Kate Davies

Wearing paper dresses Anne Brinsden

The cotton lass Anna Jacobs

The diamond hunter Fiona McIntosh

Country Lovers Fiona Walker

Mother's day Fiona McArthur

Alter Ego Brian Freeman

The accomplice Joseph Kanon

The love that I have James Maloney

We look forward to making these available to you very soon. We are offering a limited home delivery service to people in the township who are self isolating. Unfortunately we are unable to order your specific requests at present from other libraries but if you would like something in our collection please let us know and we will get it to you. You can contact the library by email library@boddington.wa.gov.au or phone 0418 952 166.

Jenni has done a great job reorganizing the shelves to make our stock more user friendly. The Junior Kinder section has been moved in preparation for the opening of the new Hotham River foreshore development which is taking shape before our eyes. It's very exciting looking out the windows to see the changes day by day. We are also looking forward to the planned extension to the library which will house the JK Section.

It will be a great day when we can welcome you back into the library and offer all the services you have been used to. Let's hope that time is not too far away.

In the meantime take care and stay safe.

Best wishes

Ros and Jenni

Facilities & Infrastructure

Better Beginnings

Better Beginnings is going online. Live videos will be streamed at 10am Tuesdays and Thursdays starting on Thursday the 9th of April. Videos can be viewed through our new Facebook group - Boddington Library. All videos will remain on the page and can be viewed at later times.

Better Beginnings is aimed at children aged 0-5 & their parents/carers. It supports parents in reading to children to build the early literacy skills they need to become good readers & succeed in school.

- A45 Perth, Western Australia
- A46 Ice Hockey
- A47 Six players
- A48 Puck
- A49 The Mighty Ducks
- A50 Perth Inferno

I was a bit worried about people 'social distancing' when I go shopping, so I got out my shopping bag from last year's holiday. Problem solved. Now people don't just keep 1.5 metres away, they actually cross the road and run!
