

PUBLIC NOTICE

Due to the price of water at standpipes rising, as advised by Water Corporation, the cost will now be \$12.00 per kilolitre. Your honesty is required for this service to continue.

When using the standpipes, please take a photo of the meter before and after and record the readings on the paperwork supplied with the key. The key must be returned within 24 hours.

Standpipes 3,4,7 & 9 are for emergency use (FIRE) only.
