My family moved to Boddington just over 18 months ago.

Throughout my working life, I have had a few career changes from Plumber, Engine Fitter – RAAF, Police Officer WA, Building/Health Compliance Officer (local government) to my current role as an Education Assistant (BDHS).

I served over 16 years within the Community Engagement Portfolio in the WA Police where I gained a passion for capacity building among youth and older community members. This has provided me with a diverse and comprehensive experience of community matters.

I am a compassionate and community focused individual with a desire to make a difference to the lives of others.

I will strive to be a strong voice on council, advocating for all members of my community, when supporting the council in it's policies and plans for development.

If afforded the opportunity to represent the community of the Shire of Boddington as a councillor, I will do so with enthusiasm, integrity, a strong work ethic and concern for the position.
