I have been a resident of Boddington all my life, married with children and grandchildren and want them to have great opportunities within the town as I did growing up. I am a passionate person with regard to the general community and have served on many committees and services including St Johns, Boddington Fire Brigade, Boddington SES, Boddington Community Club, I am also a Justice of the Peace and have been a Lions member for 45 years. I have also been a past Councillor and President of the Boddington Shire.

I started farming on our family farm until 1985 when I then went to work for Worsley Alumina. In 1996 I started up the Boddington Tyre Service which I sold in 2007 and started up Boddington Windscreens and Boddington Bus Charters which I still manage today.

I feel that I have a broad understanding of our community and the workings of our council and that we need to have a stronger representation of locals who care and want the best for this amazing town.
